

Objectives of the Forum

In the context of the UN Decade and Education for Sustainable Development (ESD) 2005-2006 and the Philippine Millennium Development Goals (MDGs), the Regional Consultative Forum aims to:

1. Conduct training on project and training design management, Statistics/SPSS and on conceptualizing proposals for Research, Extension and Business plan with implications for ESD and accomplishment of the Philippine MDGs for global competitiveness
2. Come up with a proposal for implementation by the participants that shall form part of the action plan on relevant and responsive researches and extension services to be undertaken through partnership with other institutions and funding agencies.
3. Conduct orientation and organize the provincial and regional chapters for PAEPI, REDTI, AVE, and ENEDA, and elect and induct officers.
4. Identify the institution in Region III to be a Center for Human Rights Education
5. Provide a venue for linkaging and networking among the different institutions and agencies in the region involved in research and extension works.

Course Participants

This consultative forum is open to all researchers, extensionists, educators, community workers, NFE/NSTP/CIP coordinators or research and extension program implementers in the government or non-government institutions – academic, non-academic, NGOs or LGU technicians/community-based.
