The success of any organizations and or association as PAEPI is basically based on the quality of its human resources. Managing the association in the region requires a lot of creativity to be able to perform well amidst challenges and varied constraints. There is no leader without members or followers. Hence, pursuant to the approved PAEPI National Extension Agenda and PAEPI Strategic Plan (PSP) or Game Plan, there are 7-point strategies for PAEPI membership expansion in the Region which the PAEPI BODs are encouraged to do:

1. Replicate PAEPI Strategic Planning Workshop on the regional level
2. Conduct meeting regarding best practices in the delivery of extension services
3. Come out with a Quarterly PAEPI Regional Newsletter
4. Publicize PAEPI activities in community newspapers and journals of member-schools in the Region, sharing resources among member schools,
5. Mobilize resources for extension services by tapping sponsors, donors and other funding agencies”

On the other hand, PAEPI leadership ensures that members would benefit in the process. Some of the actual membership benefits are:

1. Assistance to capability trainings or other support from PAEPI
2. Presentation of institutional extension programs /practices/initiatives in the region and national level and be recognized in the process
3. Opportunity to take a break from busy lives and work/ by being with extensionists as support system
4. Publication of best practices in an ES Journal
5. Be part of the PAEPI Biennial Publications cum Souvenir Programme with ISSN 2094-7763,
6. Institution, Extension faculty/staff and student members may be recognized on a national level by PAEPI
7. Be updated on PAEPI activities and its partners
8. Be commissioned at Philippine Navy with officers rank thru PAEPI endorsement subject to the standards and screening procedure by the Philippine Navy,
9. Be recommended to VSO-Bahaginan as volunteer professionals and exchange experts in an all expense paid abroad
10. Be recommended to CHED as member of the technical panel, and
11. Establish alliances with other associations in the region and abroad to Strengthen PAEPI Advocacy and maximize benefits derived from membership to PAEPI.

If interested to be a PAEPI member or officer, the PAEPI membership form needs to be accomplished and submitted by the extensionist. If as an institutional member, the extension services Head need to accomplish the statement of commitment and application form for approval of his/her President as there are corresponding responsibilities and benefits that goes with the membership. Once a PAEPI, always a PAEPI. This has been the slogan of PAEPI ever since PAEPI was established in 1990.
