

MAAP LINKS KOREA'S BAEKRYEONG HIGH SCHOOL (BHS) TO OTHER PHILIPPINE INSTITUTIONS THRU MOU AND MOA SIGNING

August 09-10, 2012

(MAAP Campus, Kamaya Point, Brgy. Alas-asin, Mariveles, Bataan)

In support to the purposes for which the Balanga University Town Foundation Inc. (BUTFI) has been organized and incorporated with MAAP as one of the incorporators and founders.

Introduction:

The Maritime Academy of Asia and the Pacific (MAAP) led by its President **VADM Eduardo Ma R Santos, AFP (Ret)**, as part of its Research and Extension Services had linked Baekryeong High School (BHS) of South Korea to other Philippine institutions for their paying BHS students and faculty English training requirements and other programmes not being offered by MAAP.

Principal Dr. Yoon-Hyeon Sang of BHS, a maritime professional, was formerly Assistant Principal of Incheon National Maritime High School (INMHS) which has an MOA with MAAP for their recommended paying students for a 4-year maritime degree course in the Academy. INMHS had send student twice; however, both students after finishing the 2-month Indoc-trination and Orientation Period (IOP) had resigned due to homesickness and language barrier. Now as BHS Principal, Dr. Yoon had requested **MAAP** thru **its Research and Extension Services Director Dr. Angelica M Baylon** for possible MOUs with reputable schools similar to MAAP for programs they need in their school. Dr. Yoon, though with many connections in the Visayas region (Iloilo and Cebu) in the Philippines, had emailed and consulted Dr. Baylon as regards his plan to introduce innovative program to his school to enhance the capability of its constituents by learning best practices from global institutions thru interaction with Filipinos for international community development. One of Dr. Yoon's plans is to send 80 paying BHS students and faculty for the functional English training needs and would like to sign MOU and MOA with MAAP recommended Philippine Institutions.

In line with MAAP President's directives and its Research and Extension Services Program/Action Plan, the Academy had facilitated and linked BHS with their neighbouring good schools like **Bataan Peninsula State University (BPSU)**, **Bataan Christian School Inc. (BCS)** and **Philippine Association of Extension Program Implementers, Inc. (PAEPI)** (86 university members).

MAAP hosted the meeting and discussion at its campus and had finalized and signed the MOU and MOA on the same day, August 9, 2012. The Memorandum of Understanding (in English and Korean language) were signed between:

Baekryeong High School (BHS) and Bataan Peninsula State University (BPSU)
Baekryeong High School BHS and Bataan Christian School Inc. (BCS)
Baekryeong High School (BHS) and Philippine Association of Extension Program Implementers, Inc (PAEPI)

The Memorandum of Agreement in English and to be translated in Korean was signed between:

Baekryeong High School (BHS) and Maritime Academy of Asia and the Pacific (MAAP),
Baekryeong High School (BHS) and Philippine Association of Extension Program Implementers, Inc (PAEPI)

On the other hand a Memorandum of Understanding was signed between **BPSU** and **MAAP** for the project entitled ***“NETWORKING AND LINKAGING EXPANSION WITH FOREIGN SCHOOLS FOR PROGRAMS NOT OFFERED AT MAAP BUT BEING OFFERED BY ACADEMIC INSTITUTIONS IN THE PROVINCE OF BATAAN in SUPPORT TO ITS VISION AS A UNIVERSITY TOWN AND OTHER SUPPORTS as part of the MAAP RESEARCH AND EXTENSION SERVICES PROGRAM.”***

MAAP is one of the 12 members of the Board of Trustees of the Balanga University Town Foundation, Inc (BUTFI) and advocates the promotion, awareness and participation in the attainment of the City of Balanga's Vision of becoming a University Town by year 2020. MAAP develops and implements programs, activities and projects that would ensure educational advancement and sustainable socio-economic development in the City of Balanga. MAAP believes that connecting BHS upon their request with reputable university and schools in Balanga, MAAP has contributed its share to the purpose (s) for which the foundation (BUTFI) is organized and incorporated thru its Research and Extension Services Programs.

Arrival of Baekryeong High School

The BHS guests led by its Principal Dr Yoon Hyeon-Sang, with Chief of Research Mrs. Lee and English Teacher Mr. Kim were warmly welcomed by MAAP President VAdm Santos.

*Mrs Lee Ki-Soon
Chief of Research
Baekryeong High School*

*Mr. Kim Young-Min
English Teacher/Translator
Baekryeong High School*

Maritime Academy of Asia and the Pacific President VADM Eduardo Ma R Santos and Dr. Angelica M. Baylon (Director of Dept. of Research and Extension Services of Maritime Academy of Asia and the Pacific, PAEPI President) Welcome the guests from Baekryeong High School (BHS). Dr. Yoon Hyeong-Sang (Principal BHS), Mr. Kim Young-Min (English Teacher/Translator BHS) and Miss Lee Ki-Soon Chief Researcher BHS)

Arrival of Guests from *BATAAN PENINSULA STATE UNIVERSITY*

Dr. Mercedes G. Sanchez
Vice President for Academic Affairs
Bataan Peninsula State University

VADM Eduardo Ma R Santos (President, Maritime Academy of Asia and the Pacific) welcomes **Dr. Mercedes G. Sanchez** of BPSU

VADM Eduardo Ma R Santos (President, Maritime Academy of Asia and the Pacific) welcomes **Dr. Elizabeth Joson** of BPSU, PAEPI

Dr. Elizabeth Joson
Extension Director
Bataan Peninsula State University
Treasurer
Philippine Association of Extension Program Implementers, Inc. (PAEPI)

Dr. Teresita R. Castillo
Vice President for Student Affairs
Bataan Peninsula State University
