

PART 2. THE PAEPI STRATEGIC PLANNING OUTPUTS

This section documents the various outputs brought about by a research-based national planning in consultation with member participants who are experts in varied fields of discipline. This shall serve as part of the blueprint by PAEPIans today and the future generation.

On May 19-20, 2010, sponsored and hosted by Maritime Academy of Asia and the Pacific (MAAP) in Mariveles, Bataan, PAEPI BOD 2009-2010, representing 14 regions nationwide, conducted a 2-day revisiting of the PAEPI by-laws, membership and national strategic action plan and came up with National Extension Agenda, and PAEPI Strategic Plan (PSP) or Game plan for Implementation at the

the 2-day BOD Strategic Planning was followed by the conduct of the “*PAEPI National Consultative Forum Cum Seminar–Workshop on Extension Program Enhancement and Resource generation*” on **May 21-23 ,2009** at MAAP campus, which was participated in by **80 participants** coming from various region across the country. This occasion was graced by Dr. Felizardo Y. Francisco, CHED Director for Programs and Standard, as Guest of Honor and Speaker. Part of the National Action Plan was the conduct of the 2nd Biennial Convention to be hosted by Aklan State University (ASU) in December 2010. With the presence of 10 faculty/extensionist from ASU led by its Extension Services Director Dr. Anna Mae Relingo and VP for Research and Extension Services Dr. Roberto Salazar, planning for ASU hosting was started and followed up in April and October 2010.

In the context of UN Decade and Education for Sustainable Development (ESD) and the Philippine Millennium Development Goals (MDGs), PAEPI BOD, through participatory and partnership approach had successfully:

- Oriented the 80 participants on the revisited and updated PAEPI VMGO, National Extension Agenda and Framework, PAEPI Criteria and guidelines on Extension Services awards and the PAEPI on-going special project on CHREs and other proposed projects
- Enriched the PAEPI game plan with relevant and responsive extension service activities in line with the thrusts of PAMI, CHED, CHR, NFCHRE and PAEPI member institutions with implications for ESD and Philippine MDGs accomplishment for global competitiveness.
- Organized various PAEPI Committees on Extension Services in line with the thrusts of CHED, PAMI, NFCHRE, CHR and the member’ institutions as partners on Extension services

The Seminar-Workshop involves discussions on how MDGs be adapted for sustainability by Ms. Dulce Saret, the UN MDG Advocacy Specialist; MAAP accomplishments/recognitions on extension services made possible thru partnership with PAEPI and NFCHRE (2006-2008) as part of sharing and promotion of best practices by PAEPI President Dr. Baylon; “*The Rural Development Management: The Siliman University experience*” by PAEPI Chair Dr. Nichol Elman, and; the criteria for a successful project proposal and resource generation for sustainable and community programs by Prof. Celeste Castro, NFCHRE President. The workshop involves enrichment of the proposed **PAEPI national plan**, a product of the 2-day PAEPI and NFCHRE joint meeting and strategic action planning, through a participatory and/or partnership approach. This also include **parallel workshop and planning by sectors (maritime, agriculture, education, human rights, environment, medical and other thrusts)** facilitated by the BODs from Maritime (Dr. Angelica Baylon), Luzon (Dr. Gilbert Ocampo), Visayas (Dr. Andres Ortega) and Mindanao (Dr. Rowena Nieveras). Moreover, Aside from the PAEPI criteria, **CHED criteria on search for the best extension services program was also presented or furnished the members** for them to be guided in documenting their extension service activities.

*On June 15, 2009, PAEPI thru MAAP submitted a PAEPI accomplishment report dated June 15, 2009 to the Philippine Commission on Higher Education Office of Program and Standards (Dr. Felizardo Y Francisco). It contains the **PAEPI National Strategic Action Plan 2009-2010 with workshop outputs (Maritime, Luzon, Visayas and Mindanao) incorporated, product of the 2-day strategic planning by the PAEPI Board prepared by Dr. Baylon, (Introduction, VMGO or Vision, Mission Goals and Objectives, Primary Strategies for Attaining VMGO, Key Result Areas (KRA) by Basic Functions and Prerequisites, Strategic and Tactical Activities on: Membership Expansion, Networking, Capability Building, Public Advocacy ,Resource Generation, and Recognition of Performance, Structure of PAEPI Chapter, PAEPI Areas of Responsibility and Operations on National, Regional, Provincial, Municipal and Institutional, PAEPI Conceptual Framework. PAEPI to do, Paradigm of Extension, What PAEPI Does or wants, What PAEPI Can Do, What PAEPI Might Do, What PAEPI Should Do, PAEPI National Extension Agenda), the PAEPI Policy, Guidelines, Standards and Criteria for Performance Recognition in Extension or PAEPI Recognition Policy and the Proposed Bill Republic Act 888 on Magna Carta for Extension Workers.***

PAEPI NATIONAL OFFICERS 2009 - 2010

PAEPI National President (National and Region III)

DR. ANGELICA M. BAYLON

Director for Research and Extension Services
Maritime Academy of Asia and the Pacific

Address: Brgy Alas-asin Mariveles Bataan 2105

Head of the Institution: Vadm Eduardo Ma R Santos, AFP

Phone: + 63 (02) 741-1024 loc 40 31; 09194768128/09228928450

Fax: + 63 (02) 741 1006

PAEPI Executive Director (National, Region III and NCR)

PROF. RONALD DUGANG

Director Community Relations Center, Colegio de San Juan de Letran

Address: Intramuros Manila and Abucay Bataan

Head of the Institution: Fr. Tamerlaine Lana, O.P.

Contact Nos.: (02) 896-7044 / 0908-519-8693; 09062134737

Email: r_dugang@yahoo.com
