

Vision/Mission/Quality Policy Statement

VISION

The Maritime Academy of Asia and the Pacific envision itself as the leading Institution of excellence for maritime education and training in the Asia-Pacific region and beyond.

MISSION

The Maritime Academy of Asia and the Pacific provides quality education and training to midshipmen/trainees in order to develop competent seafarers who possess the character, knowledge, and skills necessary for the successful pursuit of a progressive maritime career.

QUALITY POLICY

The Maritime Academy of Asia and the Pacific commits to manage a quality maritime education and training environment that satisfied the stakeholders' requirements and achieves greater efficiency in its services through continual system improvement.
