(IMarEST PH Branch President/Chair, **VAdm Eduardo Ma R. Santos, AFP (Ret)**, together with IMarEST PH Branch Secretary/OIC & Conference Organizer **Prof. Angelica M. Baylon, PhD**, warmly welcome Aderco Pte Ltd Managing Director **Mr. Philippe Lecloux** as he arrives at the venue .

NI Treasurer **Dr. Glenn Mark Blasquez** escorted Aderco Pte Ltd Managing Director **Mr. Philippe Lecloux** from Manila Hotel to the AMOSUP convention Hall and vice versa .

Attendees/AMOSUP/ NI/ IMAREST members who are seafarers, having their dinner before the start of the Technical Talk.

Welcome and opening remarks by Conference Organizer **Prof. Angelica M. Baylon, PhD.**

Formal introduction of 70 attendees represented by active seafarers on vacation and some officials representing PAMI (**President Toti Oca**), PAMTCI (**President Arsenio Padilla**), MAAP, (**CAMS AVP Paiso**) NI (**Capt TJ**), AMOSUP and IMAREST officers etc.

The program started off with an invocation led by IMarEST PH Branch Treasurer, **Dr. Glenn Mark Blasquez, PhD.**

Singing of Philippine National Anthem

Dr. Angelica M. Baylon briefly provided an introduction and then respectfully call on IMAREST / NI Ph Branch President / MAAP President/AMOSUP Exec VP **VAdm Santos** for his welcome and inspiring message

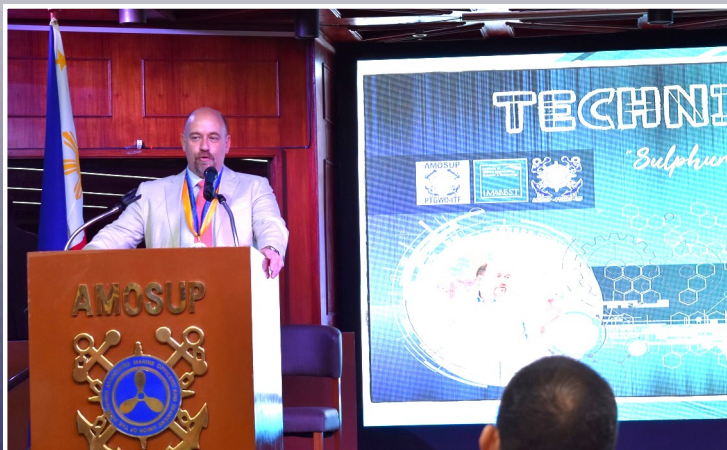

VAdm Eduardo Ma R. Santos, AFP (Ret), Warmly welcome all the participants and provided the relevance of the topic to the maritime industry which the seafarers must know.

VAdm Eduardo Ma R. Santos, AFP (Ret),
introducing the speaker **Mr. Philippe Lecloux**.

Aderco Pte Ltd Managing Director **Mr. Philippe Lecloux** delivering his opening message to the Technical Talk attendees.

Mr. Philippe Lecloux discussing about Technical Talk
"Sulphur Cap 2020 Capturing the Opportunity"

Attendees from different institutions actively participating to the Technical Talk discussion by asking questions to the Speaker **Mr. Philippe Lecloux** with **Dr. Angelica M. Baylon** as moderator. All the participants actively participated in the discussion and were very appreciative of the speaker for his excellent presentation . One of the concern of the seafarers is on losing their job once this Sulfur Cap is fully implemented in 2020 .

MAAP President VAdm Eduardo Ma R Santos, AFP(Ret), assisted by Dr. Prof. Angelica M. Baylon, PhD and Dr. Glenn Mark Blasquez, PhD, awards **Certificate of Recognition** and tokens to Aderco Pte Ltd Managing Director Mr. Philippe Lecloux
