

MAAP VISION

The Maritime Academy of Asia and the Pacific envisions itself as a leading institution of excellence in the maritime education and training in the Asia-Pacific region and beyond.

MAAP MISSION

The Maritime Academy of Asia and the Pacific provides quality education and training to midshipmen/trainees for the development of competent seafarers who shall possess the character, knowledge, and skills necessary for the successful pursuit of a maritime career.

QUALITY POLICY

We at MAAP commit to manage a maritime education and training environment that satisfies its clientele's and stakeholder's requirements and achieves greater efficiency by continual system improvement.
