

# Objectives of the Forum

In the context of the UN SDGS, this National Consultative Forum aims to:

1. Conduct training on Genuine Digital Platform and institutional portfolio with performance analytics
2. Conduct training on SWOT Analysis for the Preparation of the Strategic Plan
3. Prepare Strategic action for implementation in the institution and the region by the participants in partnership with other institutions and funding agencies.
4. Conduct orientation and organize the provincial and regional chapters for PAEPI, and elect and induct officers.
5. Provide a venue for linking and networking among the different institutions and agencies in the region involved in research and extension works.

# Participants

This consultative forum is open to all researchers, extensionists, educators, community workers, NFE/NSTP/CIP coordinators or research and extension program implementers in the government or non-government institutions – academic, non-academic, NGOs or LGU technicians/community-based.

# Registration

A registration fee of Php5,000.00 for 5 meals, 4 snacks, forum kit, and Certificate of Participation, Ferry, Tour and transportation within Bataan. See attached list for accommodations.
