

ICOTE

International Conference on Talent Ecosystem

Theme:

Navigating the Future of Work:

Unlocking the Intelligence within the Talent Ecosystem

The ICOTE'23 virtual conference aims to explore the challenges and opportunities facing the talent ecosystem as it navigates the rapidly changing world of work. The conference brings together experts from a range of industries to discuss the latest trends and best practices in talent management, including the use of artificial intelligence, the impact of remote work, and the future of workforce development.

Through a series of keynote presentations, panel discussions, and interactive sessions, attendees will gain insights into the key issues shaping the future of work and exposed to strategies for unlocking the full potential of the talent ecosystem.

- **36 Countries** • **100 Institutions & Industries** • **36 Speakers**
- **8 Sessions** • **Presentations, Demo, Q&A and MOU Signings**

**THURSDAY,
MAY 25, 2023**
