## Session—Breaking the Barriers: Gender Equality and Women Empowerment in Maritime

Dr. Angelica Baylon had the honor and pleasure to chair and moderate the session Breaking the Barriers: Gender Equality and Women Empowerment in Maritime with Dr Marcella Castelles of UPC Spain and Dr Mamoko kitada of WMU Sweden. After their excellent presentations, was the interactive Question and Answer portion. Thank you to the 7 delegates represented by Dalian Maritime University, China California Maritime University USA, Nelson Mandela University Africa, Kobe Maritime University Japan who raised good questions. Dr. Baylon happily ended the session by providing a brief summary and some key takeaways as outputs of the session. I will certainly submit the session proceedings to the chair of the organizing committee Dr. Paul Sved of MMU.USA .Truly enjoyed the session that provided us topics or ideas for development project proposals that can be submitted to IAMU for possible funding considerations.

## Session—*Breaking the Barriers: Gender Equality and Women Empowerment in Maritime*

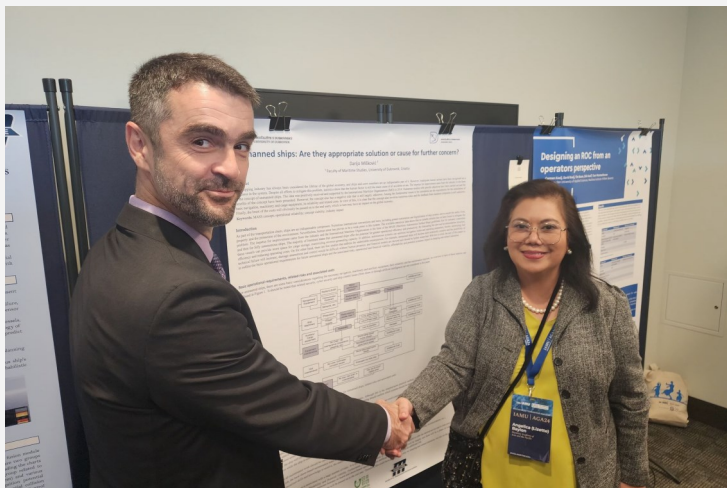

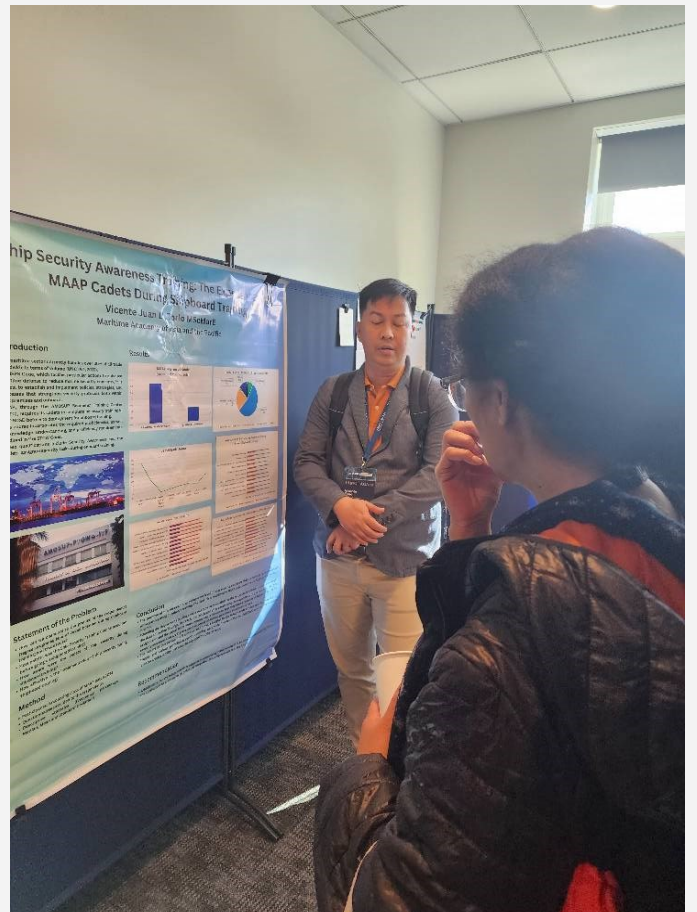

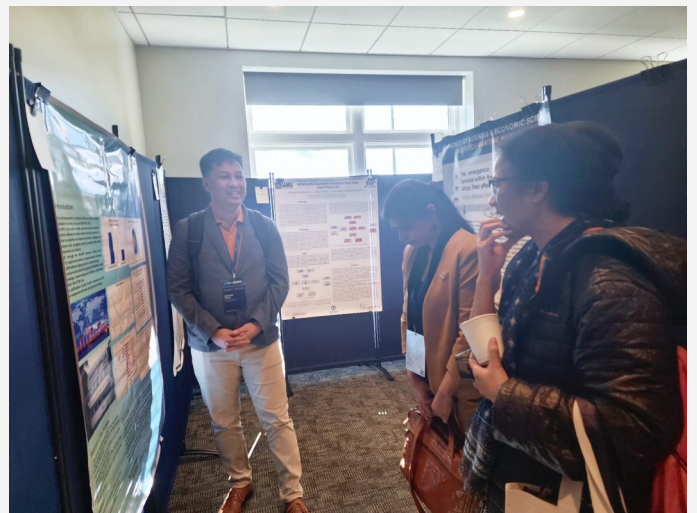

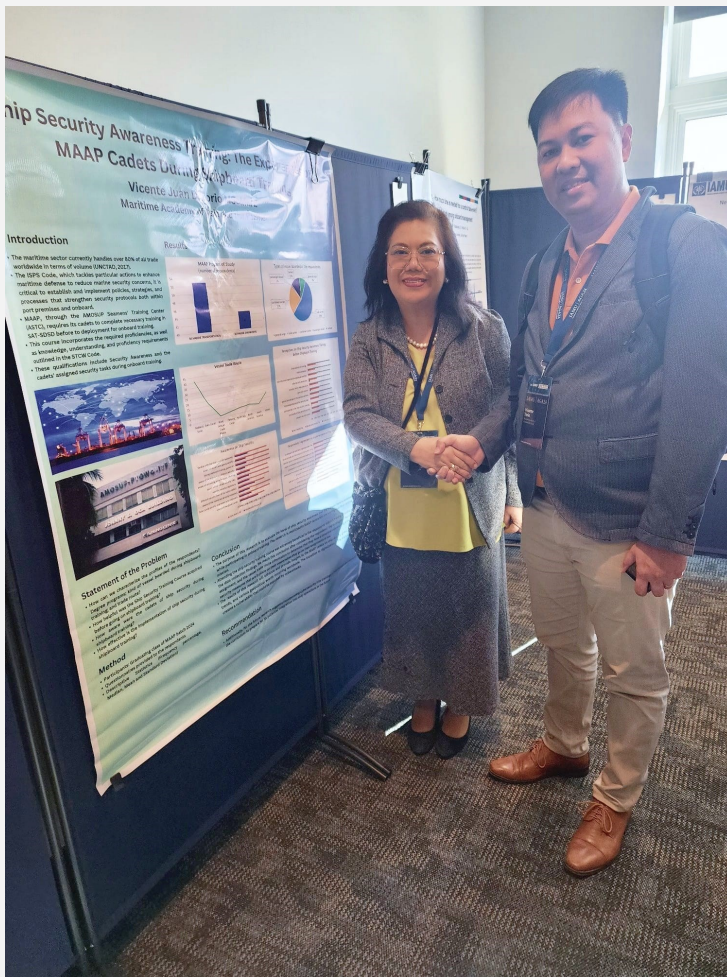

Interesting questions and wonderful ideas shared by various experts; Dr. Graham, Dr. Wang, and other experts that tremendously enriched the session . The same were noted and shall form part of Dr. Baylon's report as the Chair and moderator of said academic parallel session for the IAMU 2024.

## MAAP Faculty—Vicente Juan Torio's Presentation at Massachusetts Maritime Academy

Dr. Baylon visited poster presentations of our MAAP faculty Vicente Juan Torio who presented his research and had responded to the questions very well I have had the pleasure to listen and congratulate other poster presentations as well.

## IAMU Gala Dinner

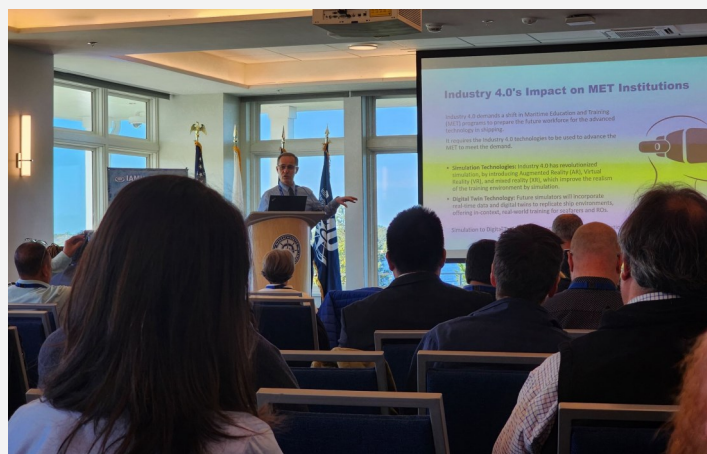

IAMU AGA 2024 Gala Dinner with MMU President RADM McDonald and the lady VP Commodore of Massachusetts Maritime Academy as host, with more than 250 international registered participants.

## Session—Maritime Industry: Shaping the Future of Maritime Workforce

Maritime Industry 5: Shaping the Future of Maritime Workforce session of Dr. Serka of Montenegro University and co presenters Dr. Reza Emad of AMC Australia and from Liverpool University. Group photos with the session chairs of IAMU AGA 2024, they shared the critical elements in shaping the future of maritime workforce and MET Institutions.
