Dr. Baylon presented the MAAP's proposed 2025 Regional Policy and Training Framework and proposed module content for Digital Literacy at the AMFUF 2025, which was attended by representatives from 15 countries.

Dr. Baylon represented MAAP President in the Presidents' Forum Meeting, which was presided by AMFUF Chair and KMOU President Ryoo, with the host STIP Principal Tri and moderated by AMFUF Secretary General Dr. Seojeong Lee. The meeting was attended by several distinguished representatives, including Dr. Ted Lirn from NTOU (Taiwan), Dr. Mingfei, Director of Dalian Maritime University (China), Dr. George Gbedava from BNTU, and Dr. Minh Duc from Vietnam Maritime University, who will host the next AMFUF in 2026.

The closing ceremonies were held at the STIP Auditorium. Appreciation is extended for the photo souvenirs with various delegates of AMFUF 2025, led by AMFUF Chair and KMOU President Dr. Ryoo, together with AMFUF President and STIP Jakarta President Tri. Cheers to the women in maritime, led by AMFUF Secretary General Dr. Seojeong Lee. Indeed, AMFUF 2025 in Indonesia was excellent! Dr. Baylon was delighted to reconnect with old friends and meet new ones from Indonesia, China, Vietnam, Myanmar, Sri Lanka, Malaysia, Korea, and Taiwan.
