
IMarEST London Visit

London, United Kingdom

Dr. Angelica Baylon and Dr. Eva Marie Marie Codamon-Dugyon, President of Ifugao State University visited the IMarEST London Office. Appreciation is extended to IMarEST, particularly to Directors Naomi Taylor, Alasdair Wishart, and Alex Hammond. It was also a pleasure to meet once again John Dickinson at IMarEST, following the participation in the 34th IMO sessions held at the IMO Headquarters.

Ifugao State University (IFSU) is one of the institutional members of PAEPI Global, with its President having served as a Regional Board of Director of PAEPI Global from 2021 to 2023. Under the impressive leadership of **Dr. Eva Marie Codamon-Dugyon**, Ifugao State University has gained recognition as one of the top universities, with strong global rankings.

Dr. Eva Marie Codamon-Dugyon's stewardship has strengthened the University's academic standards, research output, and global partnerships, positioning IFSU as a competitive and forward-looking higher education institution. Through focused governance, innovation-driven programs, the University has earned recognition as one of the leading universities, gaining visibility and acknowledgment in reputable global and international rankings.
