

Meeting with Nautical Institute Members

Online/Zoom Meeting

The discussion centered on strategic objectives, current initiatives, and opportunities for partnership. **Dr. Angelica Baylon** of **MAAP External Relations Office** provided insights into her ongoing projects, highlighting key priorities and areas where additional support or collaboration could enhance outcomes. **Mr. James Luetchford** shared his perspectives, and possible avenues for cooperation.

The meeting also included the sharing of initiatives from different branches of the Nautical Institute. Both parties exchanged information on ongoing programs, best practices, and regional activities, fostering a broader understanding of the institute's collective efforts and identifying opportunities for alignment and cooperation across branches.
