
Meeting with Nautical Institute Members

Online/Zoom Meeting

The **Nautical Institute (NI)** convened an online meeting via Zoom on February 12, 2026, bringing together maritime professionals and representatives from 19 countries across the globe.

The meeting was led by **Mr. James Luetchford**, together with fellow NI members, and was attended by Dr. Baylon, who actively participated in the discussions. The session served as a platform to exchange insights, strengthen professional linkages, and reaffirm collective goals in maritime leadership, safety, and innovation.

During the meeting, **Dr. Baylon** also took the opportunity to express her sincere appreciation to the Nautical Institute for selecting **1CL Espiritu as the Champion for the Leudekke Prize 2026**.
