

4th Safety4Sea 2025

Sheraton Hotel, Manila, Philippines

Dr. Baylon served as one of the speakers and panel discussants during the **4th Safety4Sea Conference** held on April 3, 2025. During the event, Dr. Baylon contributed valuable insights on Soft Skills Training and Development, highlighting the importance of communication and leadership, in today's professional environment. Dr. Baylon emphasized how strengthening soft skills can enhance teamwork, improve decision-making, and support the overall growth of individuals and organizations within the maritime industry.
