

DOST-NRCP 2026

Annual Scientific Conference & 93rd General Membership Assembly

Philippine Convention Center, Manila, Philippines

The **Department of Science and Technology – National Research Council of the Philippines (DOST-NRCP)** successfully convened its **2026 Annual Scientific Conference (ASC) and 93rd General Membership Assembly (GMA)** on March 13, 2026, at the Philippine International Convention Center (PICC) in Pasay City. This significant gathering brought together researchers, scientists, educators, and stakeholders from various disciplines to advance the country's research and development agenda.

The event served as a platform for the exchange of innovative ideas, presentation of research findings, and discussion of strategies to enhance the impact of science and technology on society. It also reinforced the role of research in informing policy, fostering innovation, and driving inclusive growth in the Philippines.
